Memorials to the Gallant Dead.

Surely there can be no fitter memorial of a departed relative or friend than the endowment of a Bed or Cot in a Hospital. And St. Mary's, during the War, has cared for many hundreds of sick and wounded soldiers.

It is difficult to think of anything more beneficent than the endowment of a Hospital bed; or to picture a place more appropriate for a record of the "Supreme Sacrifice" than that which is dedicated and constantly devoted to the service of the sick and the alleviation of suffering.

Moreover, in the Hospital Ward, a Memorial Tablet with its inscription will be secure against disfigurement and carefully protected from the dilapidations of time.

(For particulars of Bed and Cot Endowments see page 27.)

ANNUAL REPORT FOR 1923.

THE Board of Management have the honour to submit their Report for 1923, together with the Audited Accounts for the year.

WORK.

The statistics for the year, which are set out below, show that there has been a considerable increase both in the number of patients treated in the Out-Patient Department, and also in the number of patients daily resident in the Hospital. It is doubtful whether the resources of the Hospital have ever been more severely taxed than they have been during the year under review.

	1922.	1923.

No. of beds available	285	285

Out-Patient Department.		
Total No. of new Out-Patients	37,580	41,016
Total No. of attendances ..	124,719	130,177

Improvements and Alterations.

Long and much needed improvements have been effected in the Kitchen of the Hospital. Additional accommodation has been provided, and a new diet and cold storage room made. A new washing-up machine has also been purchased, and the Kitchen generally has been brought more into line with modern requirements. Towards the cost of these alterations a grant of £250 was received from the King's Fund.

In September a new Electro-Therapeutic Department

was opened and additional equipment provided. The need for the enlargement of the Department is shown by the fact that for the last quarter of the year 1,000 attendances were made by Out-Patients. A part-time paid assistant has also been appointed to assist the Medical Officer in Charge.

During the year an attempt has been made to deal with the arrears of painting and internal decoration which had accumulated during the war period. The majority of the Wards have now been repainted, and it is hoped that it may be possible soon to deal with all the remaining Wards urgently in need of decoration.

The National Campaign against Tuberculosis.

The statistics relating to the work of the Tuberculosis Dispensary attached to the Hospital are as follows:—

	Number of New Cases.	*Number of Attendances.*
1922	343	5788
1923	367	5281

An agreement has now been signed with the Paddington Borough Council whereby the Council undertakes to provide for the full cost of the Dispensary, the Hospital refunding to the Council any amounts received from patients attending the Dispensary who are non-resident in the Borough.

The advantages accruing to a dispensary of this nature, by reason of the fact that it is established in a large General Hospital, cannot be over-estimated. There is at hand all the aids to diagnosis and treatment which could not be adequately provided were the Dispensary established elsewhere.

NURSING.

A new departure in the training of Nurses has been established in the form of a Preliminary Training School which was opened in April in the premises in Norfolk Square.

Every candidate desirous of training as a nurse passes through a five weeks' course in this School, for which a fee of Three Guineas is charged. The candidate receives individual instruction in both Theoretical and Practical Nursing, and also in Invalid Cookery. The progress made in the latter branch is shewn by the fact that ten probationers sent entries for the Universal Cookery and Food Annual Exhibition held in October last at the Royal Horticultural Hall, with the result that five secured Medals for the excellence of their entries.

The benefit of the School both to the candidates and to the Wards is difficult to over-estimate, as each probationer before entering the Hospital is given a solid foundation on which to build with further experience.

The theoretical instruction given is on the lines suggested in the syllabus issued by the General Nursing Council, and by thus taking some subjects in detail in these early stages when it is possible to give greater individual attention and instruction, the later studies of the probationer-nurse are much simplified, while the care and time given to practical work makes the candidate far more valuable on entering the Wards of the Hospital.

During the year 30 candidates have entered for training.

In addition 20 nurses completed their training and obtained the Hospital's Certificate, 15 also gaining the Certificate of the Central Midwives' Board.

FINANCE.

Income.

Annual subscriptions have remained practically at the same figure as for the preceding year, namely £3,898, as compared with £3,905 in 1922.

During the year the Directors of the Great Western Railway Company have very generously increased their annual subscription to the Hospital from £75 to £150. Donations have shown a considerable increase, the figures being £8,332 for 1923 and £5,126 for 1922.

The year has been notable in so far that the legacies received have amounted to £15,807. Included in this sum is the value of the securities and cash received under the terms of the Will of the late Dr. Mitchell Bird, who bequeathed practically the whole of his estate to the Hospital, to which as Medical Superintendent he had rendered devoted service for over 32 years.

The last of the properties of the "Griffin" Estate held in Australia has now been sold for £5,000, the payment of the purchase money being spread over a period of five years, and in respect of which sale £1418 17s. 4d. was received during 1923.

The Board of Management gratefully record the receipt of donations of £100 and over during the year from the following. —

Once again a Committee of Sportsmen drawn from all parts of London, with Mr. Moss Deyong as Chairman and Mr. Peter Cable as Honorary Treasurer, organised a Boxing Tournament at the National Sporting Club, in aid of the funds of St. Mary's and a neighbouring hospital. As a result of the Tournament a cheque was received for £1165 19s. 2d. It is impossible to pay adequate tribute to the work of the members of this enthusiastic and devoted Committee by whose efforts a sum of well over £3,000 has been raised for the funds of the Hospital during the past two years. The Board of Management sincerely hope that the Committee now formed will see their way clear to make the holding of this Tournament an annual event in aid of the Hospital.

The grants from the Central Funds as compared with previous years are as follows:—

	1922.	1923.
King Edward's Hospital Fund for London	£5,750	£5,750
Hospital Sunday Fund ..	£2,685	£2,225
Hospital Saturday Fund ..	£1,158	£1,161
Total ..	£9,593	£9,136

A third and final grant of £2,975 was received from the Hospitals of London Combined Appeal making a total of £8,040 received from that source.

Valuable and welcome additions to the Endowment Fund have been received during the year from the Executors of the late T. G. Langham, for the endowment of a "Langham" Bed; the Executors of the late W. M. Shepherd for the endowment of a "William Shepherd" Bed; the Executors of the late Mrs. Beatrice Theresa Goff for the endowment of the "Margaret Anderson" Ward, and Miss Stella Kesterton for the endowment of a "Jack Kesterton" Cot.

A Fête and Bazaar, organised by the Mayoress of Paddington (Mrs. H. V. Kenyon) was held in the Town Hall, Paddington, in aid of the fund for the endowment of a "Princess Mary" Cot in the Hospital, for which H.R.H. Princess Mary (Viscountess Lascelles) had graciously given permission. The Fête was opened on 3rd May by the Lord Mayor and Lady Mayoress of London, and on 4th May by Lady Eustace Percy. The total amount raised was £624 10s. 0d. and the inscription on the plate over the endowed cot reads as follows:—

"THE PRINCESS MARY COT
TO COMMEMORATE
THE WEDDING OF
HER ROYAL HIGHNESS THE PRINCESS VICTORIA
ALEXANDRA ALICE MARY
AND
HENRY GEORGE CHARLES, D.S.O., VISCOUNT LASCELLES
ON FEBRUARY, 28TH, 1922.
PRESENTED BY THE LADIES OF PADDINGTON."

The Board of Management are deeply grateful to both the Mayor and Mayoress of Paddington for the willing and generous help they are at all times prepared to give to the Hospital.

A scheme has been inaugurated for a systematic House to House Collection in the neighbourhood adjoining the Hospital. A canvass of this district is in process of being made, and already over 6,000 households have intimated their willingness to make a weekly contribution of 1d. or upwards towards the general funds of the Hospital. Honorary collectors are being appointed in each street canvassed and a

sum of £20 is being received weekly. It is too early to estimate the financial result, but the seheme shows promise of producing a substantial amount from those persons who in the ordinary way would not be reached by the usual Hospital appeals.

Special mention should be made of the extremely welcome gift, which is reeeived each week from Mr. J. D. Marsden, of Nottingham, of a supply of bacon of excellent quality, at a purely nominal rate.

The system of patients' contributions introduced by the Board of Management in January 1921, has become a stabilising factor in the Hospital's finances, and may now normally be expected to produce an annual revenue of some £10,000. The figures for the years 1922 and 1923 are as follows:—

	1922.	1923.
Contributions by In-Patients	£5,873	£5,133
Contributions by Out-Patients	1,972	2,054
Thankofferings from In-Patients	610	866
Payments by Approved Societies	2419	2914
Total ..	£10,874	£10,967

Much care has been taken in the administration of the scheme to ensure that no financial hardship is inflicted on any patient. Poor and necessitous cases are at all times admitted free of any charge for maintenance whatsoever. The records show that during the year 47% of the patients admitted as In-Patients were unable to make any contribution.

The Board of Management after consultation with the Medical Committee decided to become one of the co-operating hospitals working in connection with the Hospital Savings Association. The scheme has now been in operation a year, and no difficulties have arisen in its working. Members who must be within the income limits of £200 a year for a single man, £250 a year for a married man, and £300 a year for a married man with a family, make a weekly contribution of 3d. a week. In return the Hospital undertakes to exempt from a request for any contribution those

members of the Hospital Savings Association or their dependents under 16 years of age who may be patients of the Hospital. No promise of priority of admission is given in any way, and the question of admission is dealt with solely on the medical or surgical aspect of the case.

It will be remembered that prior to the adoption of the Hospital Savings Association Scheme, a similar plan was in operation with the employees of the Paddington Post Office. It has been found in practice that the contributions received from the employees of the Paddington Post Office have just covered the cost of maintenance charges of those patients entitled to benefit. This point has not yet been reached by the Hospital Savings Association, the basis of distribution being last year £2 12s. 6d. per week in respect of each of its members admitted, and 7s. 6d. in respect of each out-patient treated.

The following comparative table shows the analysis of the income of the Hospital for 1923 and the preceding year:

	1922.	1923.
Investments	12½%	14½%
Central Funds	15½%	13 %
Subscriptions, Donations, &c.	20 %	19½%
Contributions by patients .. .	17 %	15½%
Contributions by Public Authorities	10 %	8 %
Extraordinary, e.g., legacies, non-recurrent grants, etc. . . .	25 %	29½%
	100%	100%

Expenditure.

The total expenditure for the year shows a decrease of £439 on that of the preceding year, the figures being £59,011 as compared with £59,450 in 1922. Further it must be remembered that during the year under review the number of patients daily resident in the Hospital has increased from 249 to 253 and in addition approximately 6,000 more attendances were made by Out-Patients than were recorded in 1922.

The Board of Management feel that to have dealt with so great an increase in work and yet to have effected a reduction in total expenditure is an indication of the efforts which are constantly being made to ensure that the administration of the Hospital is conducted with the greatest possible economy consistent with efficiency. In this connection the Board of Management are deeply grateful to the members of the Honorary Medical and Surgical Staff, the Nursing Staff and the Administrative Staff for the valuable assistance they have always given.

The statistical records for the year, of the King Edward's Hospital Fund for London show that in the matter of economical administration St. Mary's Hospital in comparison with the other great Metropolitan Teaching Hospitals occupies a very honourable position.

The following table gives the chief items of expenditure as compared with the previous year:—

	1922.	1923.
	£	£
Provisions	8490	8647
Surgery and Dispensary ..	6210	6645
Domestic	10784	11351
Establishment..	2428	2316
Salaries and Wages	25607	24624
Management (excluding pensions)	1571	1531

The cost per In-Patient has decreased from £3 8s. 10d. in 1922 to £3 7s. 5d. whilst the cost per Out-Patient has fallen from 2s. 0.43d. in 1922 to 1s. 11.83d.

CHANGES IN THE BOARD AND HONORARY MEDICAL AND SURGICAL STAFF.

The Annual Election of the Board of Management took place as usual at the Quarterly Board of Governors in June. The following Ordinary Members, retiring by rotation, being eligible, were re-elected:—

James Castello, Esq.
T. Clarence E. Goff, Esq., L.C.C.
The Lord Eustace Percy, M.P.
C. W. Christie-Miller, Esq.

Mr. B. A. Cohen, K.C., Mr. H. A. Pitman, and Lieut.-Col. Sir John Ramsay, K.C.I.E., who had been appointed during the year to fill casual vacancies, having also to retire, as required by the Laws of the Hospital, and being eligible, were likewise re-elected.

The following members of the Honorary Medical Staff were elected Medical Members:—

Sir John F. H. Broadbent, Bart.
V. Zachary Cope, Esq.
Professor F. Langmead.
Dr. E. Graham Little.
Professor C. A. Pannett.
S. Maynard Smith, Esq., C.B.
Sir William H. Willcox, K.C.I.E.
Dr. C. M. Wilson.

Mr. A. R. Prideaux and Lieut.-Colonel H. E. Verey, D.S.O., were re-elected Chairman and Deputy Chairman respectively, and at the first meeting of the House and Finance Committee after the Quarterly Board in June, Lieut.-Colonel H. E. Verey, D.S.O., was re-elected Chairman of that Committee.

A vacancy amongst the Ordinary Members of the Board has been filled by the election of Major the Earl of Ossory, whilst Lieut.-Colonel Sir John Ramsay, K.C.I.E. has been appointed an Additional Member of the House and Finance Committee.

There have been no changes to report in connection with the Honorary Medical and Surgical Staff. Dr. P. G. Quinton, who very ably filled the post of Medical Superintendent, has resigned. Major C. Dick, M.C. (late R.A.M.C.) M.R.C.S., L.R.C.P., has been appointed as his successor.

THE "PARKWOOD" CONVALESCENT HOME.

The Trustees of the "Parkwood" Convalescent Home have again placed at the disposal of the Hospital free of any charge 15 beds for the reception of women and children who on their discharge still require a continuance of active medical or surgical treatment and skilled

nursing as well as change of air to complete their cure. During the year 142 such cases (115 women and 27 children) were admitted to the "Parkwood" Convalescent Home from the Hospital.

The value of the assistance rendered by this admirable institution is further enhanced by the fact that a large number of the patients received would not have been eligible for admission under the usual regulations laid down for convalescent institutions.

The Board of Management desire to place on record their deep appreciation of the services rendered to the Hospital by the authorities of the "Parkwood" Convalescent Home.

THE WORK OF THE ALMONERS.

Enquiry.

The work of enquiry into the circumstances of both In and Out-Patients has been continued throughout the year.

Supplementary Aid.

Side by side with the work of enquiry, that of further assisting the patients, where it appeared necessary, has been carried out by association with other agencies, as is shown in the following summary:—

Surgical Appliances.

In addition to these cases 990 patients were provided with surgical appliances. The cost, amounting to £522 7s. 10d. was contributed as follows:—

During the year 52 patients have been provided with artificial teeth; the total cost amounted to £182 5s. 0d. and was contributed as follows:—

Maternity Department.

During the year 596 patients have applied for treatment. No "Maternity Letter" is given unless the report of the home conditions is satisfactory and every expectant mother attending the Ante-Natal Clinic is visited by the Municipal Health Visitor. Thus, any mother in need of extra milk comes under the notice of the Medical Officer of Health.

Arrangements were made for 5 mothers with their babies to go to Convalescent Homes. 21 mothers were given notes of introduction to Schools for Mothers, and in 7 cases the Hospital Funds gave small grants towards the cost of baby clothes under the supervision of the Committee of the local School for Mothers.

MEDICAL SCHOOL.

The entry of full-course students during the Academic Year 1922-23 was slightly lower than for 1921-22, the decrease being less than 6%. The total number of full-course students working in the School and Hospital during 1922-23 amounted to 314 as compared with 288 for 1921-22.

The work of the Medical and Surgical Units has been further organized and developed, and there is great keenness among the students to hold appointments in the Unit "Firms" of Clerks and Dressers.

The agreement with Queen Charlotte's Hospital, made in 1922, came into force during the past year, and students now attend the practice of that Hospital for 14 days as part of their training in Midwifery and Gynaecology. The arrangement has worked smoothly so far, and has been much appreciated by the students.

The special classes held in the Lock Hospital and Paddington Green Hospital have also been very largely attended.

The year 1923 has been prolific in good examination results. In the London University, two students gained Gold Medals in the M.D. Examination, three others secured distinction in the M.B., B.S. Examination, and one obtained the Degree of M.S. In addition to the above, seven students obtained the Degree of M.B., B.S. during the year. In the University of Oxford, one student obtained the Degree of D.M., one the Degree of M.Ch., and one the Degree of M.B. In the Royal Colleges of Physicians and Surgeons, 46 students obtained the qualifying Diplomas, while six obtained the F.R.C.S. Diploma. Four students gained other higher Diplomas and Dr. Hope Gosse was elected a Fellow of the Royal College of Physicians.

THE CHAPLAIN'S REPORT.

During the past year the Hospital Chapel has been further beautified by the addition of a sanctuary carpet and altar-hangings, the gifts of the Matron. The proprietors of "Hymns Ancient and Modern" have made a generous grant of £8 to meet an equal expenditure, by which means a new set of hymn-books for the use of the choir and congregation were provided. The offerings during the year have been unprecedently large, and have sufficed to cover all expenses, in addition to renewing the grant of £10 in aid of the Mission Hospital at Quetta.

The daily visiting of the Wards, the evening prayers,

and the Ward Services on Sunday, have been duly maintained. There is every reason for the belief that they have been a comfort to the patients. A notable feature of the past year's work has been the large number of administrations of Holy Communion in the Wards.

The Lady Visitors, as well as those who represent the Roman Catholic and Jewish Bodies, have done excellent work, and the two bands of singers visiting the Wards in rotation on Sunday evenings, have most usefully supplemented the ministrations of the Chaplain and his colleagues.

THE LADIES' ASSOCIATION.

The work of the Association continues to progress, and during the past year the number of members has increased. The collections made by the Vice-Presidents amounted to £341 10s. 10d. In addition 708 garments were made and over 320 articles of linen, blankets, dressing gowns and woollen garments were given. During the year £650 was spent on Linen, Sheeting, Quilts, Pillow Cases, Towelling, etc., for use in the Hospital.

Well attended Work Parties organised by Mrs. Cole, Miss E. Enthoven, and Miss Lees have been held fortnightly during the winter months, and 125 garments were made.

A Jumble Sale organised by Mrs. Fleming assisted by the Vice-Presidents and members of the Association, was held in the Out-Patient Department on 7th February, and resulted in a sum of £111 16s. 0d. being received.

The "Tea" held after the Annual General Meeting in March was opened by Lady Moore (the Lady Mayoress) and the attendance was large, though the absence owing to illness, of Lady Dimsdale and Mrs. Kendal, was much regretted. The financial result was most satisfactory, £147 being added to the funds of the Association. Another welcome addition was the gift of £100 by Mrs. Thurburn as a result of a Bridge Tournament she so kindly organised which was held in November.

The Ladies' Association again lent very valuable aid in connection with the Sale of Flowers on Alexandra Day and were responsible for the organisation of the district immedi

ately adjoining the Hospital. Their depôt returned the sum of £157 4s. 9d., being the second largest amount for any single depôt in the Paddington area. The grant received by the Hospital from the Alexandra Day Committee was £400. Prior to the active interest taken by the Ladies' Association, the grant was only £200.

The resignation of Miss MacSwinney who for seventeen years has been Honorary Treasurer, and who has taken so active an interest in the Association, has been accepted with much regret.

The Executive Committee appeal most earnestly to all ladies interested in the Hospital for increased support in their work, either by joining the Association, enlisting new members, or by making garments and lending their houses for Work Parties. The object of the Association is to provide for the supply of garments, linen and blankets required for the use of In-Patients in the Hopsital.

Honorary Vice-Presidents subscribe One Guinea annually, and Honorary Members 5s. Working Members subscribe 10s. 6d. annually and are supplied with cut-out garments to make. Lady Broadbent (the Honorary Work Secretary) is at the Hospital every Thursday morning from 11 to 12, during the months of October to March, and will gladly give any information respecting the work of the Association.

CONCLUSION.

The Board of Management report with pleasure some improvement in the financial position of the Hospital, but the position although for the time somewhat more satisfactory is not altogether re-assuring. Legacies produced during the year £15,807 whilst in 1922 only £3,318 was received from that source. Faced with such an uncertain element in their finances the Board of Management make an urgent appeal to all those interested in the work of the Hospital to secure additional annual subscribers. There is still much too wide a gap in that steady income necessary to meet the present needs of the Hospital, and also the reasonable prospect of widening its scope of work. Annual subscriptions are a vital and important factor in the financial

outlook of the Hospital, and in spite of all the endeavours which were made during the year they still remain at a stationary figure.

A number of improvements and additions are becoming urgently necessary. Proposals for the enlargement of the X-Ray Department have already been approved, and sanction has also been obtained for the installation of two modern electric lifts in place of the old hydraulic lifts now in use for patients of the Hospital. These proposals will involve an expenditure of not less than £6,000. Increased and better accommodation for the nurses is essential for the proper working and staffing of the Hospital. Heavy expenditure must soon be incurred for the repair and upkeep of the outside fabric of the Hospital building. In addition the Board of Management have had before them the question of the establishment of wards for private paying patients. There is no doubt either of the need or of the demand and it must be only a question of time before all the large general hospitals will have attached to them some provision for the hospital treatment of the middle classes whose incomes range from £500 to £800 per annum, and whom under present conditions are unable to afford the necessary surgical or medical treatment and nursing adequate for their cases in time of severe illness.

Obviously it is impossible without some extension to consider the establishment of Paying Wards for Private Patients for it is clear that at the moment the Hospital is unable to meet even the requirements of the sick poor of the neighbourhood. During the year no less than 1000 patients in need of treatment had to be referred by the Hospital to other institutions.

The difficulty would be solved if the original capital outlay could be provided. There is no doubt that such wards once established would prove a fruitful permanent addition to the funds available for the treatment of the sick poor. The suggestion is put forward in the hope that some generous benefactor will come forward and earmark his gift for this purpose.

The Board of Management look forward with confidence

to a generous response to their appeal for funds to enable the necessary improvements and alterations to be carried out, so that the work of the Hospital may continue and be maintained in accordance with its splendid traditions.

"The work of the Hospitals is not charity, it is humanity. It is humanity which bids us help our fellows in distress."

THANKS TO THE MEDICAL STAFF.

The Board conclude their Report with the expression of their sincere thanks to the members of the Honorary Medical and Surgical Staff for their constant attention and kindness to the patients, and for their valuable services to the Hospital throughout the year.

Signed on behalf of the Board of Management,

ARTHUR R. PRIDEAUX,

Chairman.

FOR THE

ENDOWMENT OF BEDS OR COTS.

I Give and Bequeath to the Treasurer or Treasurers for the time being of a Corporation called the President and Governors of St. Mary's Hospital, Paddington, the sum of ..... free of Legacy Duty, for the Endowment in perpetuity of a Bed (or Cot) in the said Hospital; the said Bed (or Cot) to be named the "....." Bed (or Cot); and I declare that the receipt of the Treasurer or Treasurers for the time being of the said Corporation shall be a sufficient discharge for the same.

For particulars respecting the Endowment of Beds and Cots, see page 27.

The George Sturge Trust Fund.

In the year 1884 Mr. George Sturge, of Woodthorpe, Sydenham Hill Road, executed a Deed of Trust conveying to St. Mary's Hospital £926 *Great Eastern Railway 5 per Cent. Preference Stock, representing one thousand pounds (£1,000), under the following conditions:—

> "In giving the sum of £1,000 for a Samaritan Fund for the above Hospital, Mr. Sturge gives it on the conditions that this Fund shall be kept entirely separate from the General Funds of the Hospital, and that the income shall be paid to, or applied for, such In-Patients as may be necessitous, and within three months from their discharge from the Hospital, and for the purpose of their having necessary nourishment, clothing, or change of air."

"Mr. Sturge hopes that this Fund may be made known and that others may be induced to subscribe to it."

* Converted, in 1902, to £972 Great Eastern Railway Consolidated 4 per cent. Preference Stock, and again converted, in 1923, to £972, London & North Eastern Railway 4% 1st Preference Stock.
(*see page* 43).

The Disbursements under this Trust Deed are included in the Convalescent Fund Account on page 39 of this Report.

ADMISSION OF PATIENTS.

Applicants are treated as In-Patients or Out-Patients at the discretion of the Medical and Surgical Staff, and as the accommodation available in the Wards may permit.

Accidents and other cases deemed urgent by the Medical Officers are (so far as space permits) admitted without Letters at all times.

Holders of Letters seeking admission as In-Patients must present their Letters at the Hospital at 1 o'clock (Sundays excepted).

Much inconvenience having occurred in consequence of the arrival of Patients from a distance, without notice, it is requested that in the case of Patients coming from places so remote as to preclude easy and cheap communication with the Hospital, notice be given to the Secretary three days before the Patient intends to apply for admission, enclosing a Medical Certificate stating as fully as possible the nature of the case.

VISITING DAYS. Adults: Wednesdays and Saturdays, from 4 to 5; and Sundays and Public Holidays, from 3 to 4. Children under 15: Wednesdays, 4 to 5, Sundays, 3 to 4. Except for urgent reasons visitors cannot be admitted at other times. Children are NOT allowed to visit the Children's Ward. Only parents or guardians of patients, or persons *in loco parentis*, are allowed as visitors to the Children's Ward.

Out-patients are attended DAILY (Sundays and Public Holidays excepted). They must present their letters at the Hospital at the following times:—

NINETEENTH ANNUAL REPORT.

The Dresden Trustees have the honour to present their report for the twelve months ending 30th September, 1923, together with the accounts for the same period.

The objects to which the Trustees have continued to devote the funds at their disposal, and the number of Patients benefited under each head, are :—

1.	Patients sent to Convalescent Homes, (including 143 sent to Parkwood)	333
2.	,, given pecuniary assistance on discharge	20
3.	,, assisted with clothing on discharge.. ..	4
4.	,, provided with Surgical and Optical appliances on discharge	286
5.	,, assisted with fares to and from Convalescent Homes	333
6.	,, assisted with fares to their own homes on discharge from the Hospital	227

Great care has been taken to ascertain that Patients are really needy and deserving before assisting them, particularly in Class 2. Thorough enquiry into their means and deserts has been made in every case.

During the year the Trustees of the Hospital Convalescent Home, Parkwood, Swanley, Kent, have placed 15 beds at the disposal of the Hospital. The Trustees of the Dresden Fund, as a result, have been enabled to send 143 Patients to this Home for a period of 19 days or more, at no expense to the Fund except the fares of the Patients. The Trustees gladly take this opportunity to record their grateful thanks to the authorities of the Hospital Convalescent Home for the great benefit which the use of these 15 beds has enabled the Trustees to confer on so many Patients of the Hospital.

Signed on behalf of the Trustees,

JAMES CASTELLO.
